

## DRAFT

### Consent form for photography/filming and data sharing

I consent to the Dolennu project using photographs and/or video recordings including images of me to promote the project. These images could be used in print and digital media formats including print publications, website, e-marketing, social media, teaching and research purposes.

I understand that images on websites can be viewed throughout the world and not just in the United Kingdom and that some overseas countries may not provide the same level of protection to the rights of individuals as EU/UK legislation provides.

I understand that some images or recordings may be kept permanently once they are published and be kept as an archive of Dolennu project.

I have read and understand the conditions and consent to my images being used as described.
